

STEP UP & VOLUNTEER WITH AZAALAS - please print

Full Name: _____

Institution: _____

Email: _____

Committees

Please check off the committee or committees with which you would like to volunteer

- **Awards** - in charge of the encouraging nominations for Arizona Branch Member of the Year, and Technician of the Year awards, and also coordinating the International Technician Week preparations with our member institutions across the state
- **Communications** - responsible for maintaining the branch website, Facebook page & FB group, as well as producing our electronic newsletters, announcements and updating our branch listservs as necessary
- **Events** - working on frequent regional membership events to encourage members to get together more often and network. We also work on the branch's fun event each year that lets members and other interested in joining from across the state get together for a family fun event and tour
- **Membership** - looking for enthusiastic individuals to increase AZAALAS membership. You will be promoting the perks of being an AZAALAS member and encouraging current members to become more actively involved
- **Program** - responsible for finding speakers and suggesting topics for our webinars as well as coordinating the Holiday Installation and requesting items for the Annual Louise Brooks Memorial Charity Raffle
- **Scholarship** - oversee the branch National AALAS Membership Scholarships for members working on their AALAS certification
- **Education** - identify resources and activities to help members to continue their education. We coordinate the use of the AALAS Learning Library, seminars and other educational formats
- **Nominations** - we encourage members to nominate members for officers each fall and make it possible for everyone to have a voice in their leadership

Skills and Interests: Please describe your background, skills and interests that support your participation in the committee(s) selected above:
